

Center for Medicare and Medicaid Innovation (CMS Innovation Center) – Model Summary Information Methodology

This dataset contains various data points related to CMS Innovation Center models, demonstrations, programs, and initiatives. This includes name, start and end date, statutory or regulatory authority, keywords, stage of implementation, participants, beneficiaries and physicians impacted, and categories related to health care quality, cost, payment, and delivery. When the CMS Innovation Center updates an entry on a model web page, a corresponding entry is added to this dataset. These updated data points are displayed on the CMS Innovation Center's website for public consumption
